

### **REMARKS**

This responds to the Office Action mailed on November 2, 2005.

Claims 3, 17 and 18 are amended, claims 1 and 2 are canceled, and no claims are added; as a result, claims 3-25 are now pending in this application.

#### **§112 Rejection of the Claims**

Claims 18-21 were rejected under 35 USC § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention.

Claim 18 was amended to remove the phrase containing the "for example" wording.

Claim 17 was amended to provide an antecedent basis for "the organic moieties" referred to in claims 19-21.

Reconsideration and allowance of claims 18-21, as amended, is respectfully requested.

#### **§102 Rejection of the Claims**

Claims 1-2 were rejected under 35 USC § 102(e) as being anticipated by Searls et al. (U.S. 6,865,016).

Claims 1 and 2 have been canceled without prejudice.

#### **§103 Rejection of the Claims**

Response to the rejections

Each of the obviousness rejections above was framed under 35 USC 103(a) and based upon the Searls patent 6,865,016. The present application and The Searls patent were, at the time the invention of the present application was made, owned by Intel Corporation.

Accordingly, Searls is disqualified from use as in a rejection under 35 USC 103 (a) against the claims of the present application.

Reconsideration and allowance of each of the claims rejected under 35 USC 103 (a) is respectfully requested.

Conclusion

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney ((612) 373-6970) to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,
